April Meeting Recap

Topics of discussion included:

The Beg Letter for the car show to present to businesses for donations for the Chinese Auction and/or Sponsorship has been created and will be uploaded on the website.

We will be linking more websites to ours in order to gain more exposure to our club and hobby.

Discussions surrounding summer cruise nights and car shows occurred. We will post information about these adventures on the

website.

The Summer Party will be on August 2nd. We will need a final head count by the July meeting for catering purposes. This event is BYOB (bring your own beer).

We discussed the next month's meeting which is scheduled for

Friday May 8th

This meeting will be located upstairs at the Lamn Post.

The June meeting will be on **June 12th** and all club members will need to be present to help with goodie bags and firm up the show which is that Sunday.

June 14th WNY Shelby & Mustang Club Car Show

Flyers and posters have been made for our June 14th car show!!! We will need the flyers and posters circulated over the next few weeks at car shows and cruise nights to help promote the show. We're looking for a big turnout this year!!!

The "beg letter" to hand out to Companies for donations for either Sponsorship or the Chinese auction has been created and is being posted to the website for easy access. Use this letter and expand your thoughts of what to ask for...we don't need to have all automotive prizes!!!

The show will be promoted on the Weather Outside on Channel 7 on Thursday June 11th. Dave Albert needs to bring two cars and if you're interested, please contact him.

LET'S ALL GET OUT THERE AND PROMOTE OUR SHOW AND GET SOME GREAT DONATIONS FOR OUR CHINESE AUCTION!!!!

"MUSTANG,
n. An indocile horse of the Western plains. In English society, the American wife of an English nobleman."

33rd Annual ALL FORDS Day

APRIL 2009

Mustang Club of America (MCA)

Each month this section will have details concerning the Club's status with the MCA and any open discussions during meetings about this venture.

In regards to our status as a Regional Mustang Club of America participant, we sent in all of our information to gain chartership in December.

A new member had taken over the duty of new club entries and our application was "lost in translation" and overlooked and confused with another club located in Lakeview.

The club we were confused with is not incorporated which is a requirement of the MCA.

We should be an official member of the MCA by no later than the end of April!!!!

Upcoming Events - Dates to Remember

May 8th 2009 -

Car show planning Meeting

June 11, 2009 -

The Weather Outside on Channel 7

THE LEGEND LIVES

MUSTANG
Built for the road ahead.

CAR OF THE MONTH DAVE DRIGGS

Due to technical difficulties Dave was unable to provide a story behind his ride....leave it up to your imagination.

Trivia and Fun Facts

APRIL TRIVIA ANSWERS

What year was there no edition of the Cobra?

2002

What car was produced when Ford decided not to change the Mustang into a front wheel drive car??

THE PROBE

MAY TRIVIA QUESTIONS

What was the name of the concept car that predated the '03 Cobra by 10 years, but featured a roots-supercharged, intercooled, Four-Valve 4.6 under the hood?

The first Steeda Mustangs were named after what storied road course?

What was Ford Racing Performance Parts' original name?

FUN FACTS

In 1996 Ford approved a new paint technology created by BASF to be showcased on a limited number of SVT Cobras. The paint was called "Mystic". Depending on the angle of the viewer in relation to the car, or the angle of light hitting the surface the paint will actually seem to have changed color!!
